"To Be Loved By A Man"

I know how it feels to be loved by a man
And it's wonderful
Yes, it's wonderful
I know how it feels to have someone who cares
And it's wonderful
Yes, it's wonderful
Just to be told, you are his dearest
You are the one he wants to be nearest
And you're all the way(??) that you're locked in his
heart
Just to be told, don't ever leave me
I couldn't bear if you deceive me
And how he's lost when we are apart
I know how it feels to be loved by a man
And it's wonderful
Yes, it's wonderful
