When I arrive tomorrow morning
I want the music to be there
I want the bands out playing
Right across the square
The sun will shine tomorrow morning
He'd never dare to let me down
Send up a rocket saying
Shirley's back in town
Hey, now you can say I'm on my way
Hey, better get ready for today(??)
If I survive tomorrow morning

There'll be a great tomorrow night
No need to buy the candles
Shirley's all the light
Roll on tomorrow morning
Bad old days good night
I want the flats out flying
High across the square
Make it a better headline
Shirley's back in town
Hey, now you can say I'm on my way
Hey, better get ready for today(??)
If I survive tomorrow morning

There'll be a great tomorrow night
No need to hold the horses
Shirley's riding high
Roll on tomorrow morning
Here comes tomorrow morning
Bad old days bye bye
Good bye
Good bye
