Hey well
I'm a friendly stranger in the black sedan
Won't you hop inside my car?
I got pictures, got candy, I'm a loveable gal
And I can take you to the nearest star
I'm your vehicle baby
I'll take you anywhere you want to go
I'm your vehicle woman
By now I'm sure you know
That I love ya
I need ya
I want ya
Got to have ya
Great God in heaven you know that I love you
Well if you want to be a movie star
I can take you to Hollywood
But if you want to stay just like you are
You know I think you really should
I'm your vehicle baby
I'll take you anywhere you wanna go
I'm your vehicle woman
By now I'm sure you know
That I love ya

I need ya
I want ya
Got to have ya
Great God in heaven you know that I love you

'Cause I love ya
I need ya
I want ya
Got to have ya
Great God in heaven you know that I love you

Hey well
I'm a friendly stranger in the black sedan
Won't you hop inside my car?
I got pictures, got candy, I'm a loveable gal
And I can take you to the nearest star
I'm your vehicle baby
I'll take you anywhere you wanna go

I'm your vehicle woman
By now I'm sure you know
That I love ya
I need ya
I want ya
Got to have ya
Great God in heaven you know that I love you
