Out of the ruins  
Out from the wreckage  
Can't make the same mistake this time  
We are the children  
The last generation  
We are the ones they left behind  
And I've wondered when, we're ever gonna change  
Living under the fear, till nothing else remains  
We don't need another hero  
We don't need to know the way home  
All we want is life beyond the Thunderdome

Looking for something  
We can rely on  
There's gotta be something better out there  
Love and compassion  
That day is coming  
All else are castles built in the air  
And I wonder when, we're ever gonna change  
Living under the fear, till nothing else remains

All the children say  
We don't need another hero  
We don't need to know the way home  
All we want is life beyond the Thunderdome

So what do we do with our lives  
We leave only a mark  
Will our story shine like a light  
Or end in the dark  
Is it all or nothing

We don't need another hero  
We don't need to know the way home  
All we want is life beyond the Thunderdome
