Yesterday I heard the rain whispering your name  
Asking where you'd gone  
It fell softly from the clouds on the silent crowds  
As I wandered on

Out of doorways black umbrellas came to pursue me  
Faceless people as they passed were looking through  
me  
No one knew me

Yesterday I shut my eyes, face up to the skies  
Drinking in the rain  
But your image still was there floating in the air  
Brighter than a flame

Yesterday I saw a city full of shadows without pity  
And I heard the steady rain whispering your name  
Whispering your name

Asking where you'd gone

Yesterday I saw a city full of shadows without pity  
And I heard the steady rain whispering your name  
Whispering your name
