You and I will travel far together  
We'll pursue our little star together  
We'll be happy as we are together  
We may never get to heaven  
But it's heaven, at least to try  
You and I are going on together  
'Til the time we have is gone together  
Watch the evening drawing on together  
Growing older, growing closer  
Making memories that light the sky  
That only time can make  
That only love can make

That only we can make  
You and I

You and I are going on together  
'Til the time we have is gone together  
Watch the evening drawing on together  
Growing older, growing closer  
Making memories that light the sky  
That only time can make  
That only love can make  
That only we can make  
You and I

You and I, You and I, ...
