2 x Hook:

Moving while you're snoozing  
Winning while you're losing  
Up early in the morning doing what you aint' doing  
Time to wake up and take your smell was growing  
Up early in the morning doing what you aint' doing

Waking up where it is f\*ck in the morning  
... no snoozing no yarning  
No invaded by cat we used to be down  
But for one reason another aint' gonna be where to be found  
Make me wanna step at the... runnin with...  
You could feel like you're moving but you runnin and play  
And they say given if you flow that we're rolling and bow  
... for the profit send after results  
So I'm looking at the calendar that's the start...  
Make it... 'cause that abstract... been  
I don't wanna hear them lonely days but how they used to rock  
This is for you to make... take a future shot  
That means to speak as hot like...  
The man super high like...  
Repetition works so I'ma drill it in your cranium

Every time kick it like spittin in the stadium

[2 x Hook:]

... that breakfast skinning with the check list  
Far from the dark light it up like electric  
Tryin break it down the... please but they don't understand it  
That mean you got a stack it to you got a... bend it  
Funny how your body ever want up a leave it  
Tell this so real till the if I can dreamin  
But not a revolution just lose the execution  
The problem of a problem that speaking out of...  
But I don't got my hand raised so listen out the...

As I market to the network right damn way  
Creapin up with the competitive at  
Stand the steady lean round like some sedative heads  
They can stooze with the lusters  
I'm up with the rustlers  
The plan to manipulate...  
For rack... them roll cab you should have doctor swag  
Up early in the morning and I'm poppin tag
