They call us bullies because
We taking over this club
We gonna stick to our guns
They ain't no stopping this rush
Rush, eh eh

Cause I'm a dance floor vixen tonight I'm going double
time
Assume the position, you gonna have to step in the line
You're time tick-ticking like a bomb
Ain't going on because

I came to party with my girls
We came to take ova the dance floor (eh eh)
So when you see us in the doorway,
Step aside and gotta get in the whirl

Get ready for the take ova,
Ready for the take ova
Get ready for the take ova,
Ready for the take ova
See us in the doorway, step aside and gotta get in the
whirl,
eh eh eh eh

Adrenaline running strong
Another sip I'll be gone
Hey DJ, turn up my song
If you trying to turn me on, on, eh

Cause I'm a dance floor vixen tonight I'm going double
time
Assume the position, you gonna have to step in the line
You're time tick-ticking like a bomb
Ain't going on because

I came to party with my girls
We came to take ova the dance floor (eh eh)
So when you see us in the doorway,
Step aside and gotta get in the whirl

Get ready for the take ova,
Ready for the take ova
Get ready for the take ova,
Ready for the take ova
See us in the doorway, step aside and gotta get in the
whirl,
eh eh eh eh

Nothing's gonna hold us back from the music,
the DJ, and the dance floor
Cause it's all that we needed tonight

Pitbull:
Darkchild, MR. worldwide, Shontelle
Dalle

Im so international now
Im so internationaly known
I got all the international girls
Playing with my microphone
I got the world in my hands
I got the globe on lock
We could go anywhere, all God's green Earth
Just pick a spot

You could bring all your girls
Imma bring all my friends
We can play around the world
Until, until the night ends
Pick up in the morning, no
More like the afternoon, yeah
And baby we gon do what, we do what, baby we gon do
it again

I came to party with my girls (party with my girls)
We came to take ova the dance floor (eh eh)
(we came to take ova the dance floor)
So when you see us in the doorway,
step aside and gotta get in the whirl
(get in the whirl)

I came to party with my girls (party with my girls)
We came to take ova the dance floor (eh eh)
So when you see us in the doorway,
step aside and gotta get in the whirl, eh eh eh
(get in the whirl)

Get ready for the take ova,
Ready for the take ova
Get ready for the take ova,
Ready for the take ova

See us in the doorway, step aside and gotta get in the
