(feat. Fer3oun)

I don't care, no mercy for these niggers
Your ass on the air,
I ain't your girl mother fucker
I'll keep it,
No, I'm your mother sucker,
I'm just fucking,
Bitches came from your hood.
No mercy for this bitch, fuck it, I'm in the mood
Say, is back, OK, I think you got it
Always fucking the world, so you can call it,
No, you can dream Bugatti, I just want this for bitches
You ,fucking.. bottles, all you niggers are snitches
OK, shut out respect, fuck it, I'm never going
Fuck it's style.. call it Louis Vuitton.
Not one in the room ,bring some shit like a gun,
Always fuck industry, I'm having,.
I'm saying, is the shit, is popping the beat
..made the shit, now I'm sending the hit

Chorus:

I'm saying, I'm smoking blunt,
Looking at the stars,
feeling the, driving cars,
Yeah, yeah get that! I'mma get that!
We're smoking shit, bitch I'mma get that!
I'm smoking blunt, looking at the starts, oh, feeling the,
Driving cars, get that, yeah, yeah, I'mma get that!

...

I'm smoking blunt,
Looking at the stars,
feeling the, driving cars,
Yeah, yeah get that! I'mma get that!
We're smoking shit, bitch I'mma get that!
I'm smoking blunt, looking at the starts, oh, feeling the,
Driving cars, get that, yeah, yeah, I'mma get that!

Always in the same place, no transformer

Goes in your fucking face, then you take the corner
I'm talking big money, I'm talking hell of money
God, I go for, God I make a lot of money1
Fuck whores ,
My shit, goes, she, without me,
..I call you Mr,
I'm a safe dick, you'll find out how, in my head,
I count my money on the bed, we , lose everything.
Reason for anything, for ,
Don't play with me,
The real of the realest, niggers like Judas
,me, fuck you if you,
And when nobody can't miss me, listen!

Chorus:

I'm saying, I'm smoking blunt,
Looking at the stars,
feeling the, driving cars,
Yeah, yeah get that! I'mma get that!
We're smoking shit, bitch I'mma get that!
I'm smoking blunt, looking at the starts, oh, feeling the,
Driving cars, get that, yeah, yeah, I'mma get that!
