### "Your Grace"

Standing in the dark of this place  
Where there's no innocence in a face  
Claustrophobic in this place  
No arms of courtesy and grace

You said your grace lies beyond all of our  
understanding  
Until I reach out and call your name  
Only misery and dark will follow me

Standing in the cracks of the earth  
Where I crawl back to my rebirth  
I'm claustrophobic in this space  
No arms of courtesy and grace

You said your grace lies beyond all of our  
understanding  
Until I reach out and call your name  
Only misery and dark will follow me

For all have sinned and fallen short of God's glory and  
grace  
And for all have fallen short of his glory  
And for all have fallen short of his grace  
Shower me with your grace  
Shower me with your grace
