Verse1: baby you know I left everything behind and I
feel so unhappy again
Tonight baby I don't know what to do without you and
baby all I need is
Your love

(Chorus) baby I feel so cold again tonight I wish that
you could hold me
Tight everything you said to me your words we're so
wrong all this time and
I'm lost out here again baby I don't know where to go
I'm lost out here in
The middle of nowhere I'm out here in the middle of
nowhere

Verse 2: Baby you know I wanna walk back home I don't
wanna stay here
Anymore baby you know that I'm sad but I never heard
you laugh I heard you
Were never waiting for me baby you never kept my
heart but now I gave it
All up I got nowhere to go and I'm lost out here in the
middle of nowhere
Again

(Chorus) baby I feel so cold again tonight I wish that
you could hold me
Tight everything you said to me your words we're so
wrong all this time
And I'm lost out here again baby I don't know where to
go I'm lost out here
In the middle of nowhere I'm out in the middle of
nowhere

(Music)

Verse 3: baby I miss you, you know I want you back but I
won't forget what
You said baby I don't wanna stay out here anymore
there will be nobody to
Catch me when I fall

(Chorus) baby I feel so cold again tonight I wish that
you could hold me
Tight everything you said to me your words we're so
wrong all this time
And I'm lost out here again baby I don't know where to
go I'm lost out
Here in the middle of nowhere I'm out in the middle of
nowhere
