[JD Talking]  
SO\* SO\* DEF

I been watchin you for a minute  
Come through here some sweets in it  
Ya life girl, ya need me in it  
I'm determined to win it  
I know what you need  
I know what's wrong  
I know how to make it tight  
Everything will be alright if you\*  
[Let me hold you\*]  
I introduce you to my world  
Introduce you to the better side of life  
That you ain't been seeing girl  
Ima show ya where its happenin  
I'ma show ya how to get it  
All you gotta do is be wit it and  
[Let me hold you\*]  
Down, like a real man's supposed to  
I never woulda approached you  
If I ain't have intentions of doing good  
See dude you with is so fool  
To me girl, you're so cool  
And all I'm asking you to do  
[Let me hold you\*]  
Down, like a best friend  
Two homies in a gang  
When you cry, I wanna feel your pain  
No secrets, no games  
Call me psychic, never playin  
Keep ya happy, that's my aim  
And all you gotta do girl is\*

[HOOK - Omarion]  
[Let me hold you\*]

In my arms in my mind  
All the time, I wanna  
Keep ya right by my side  
Till I die, I'm gonna  
Hold you down  
And make sure everything is right with you  
You can never go wrong if you let me hold you down  
[Let me hold you\*]  
Down like a real friend's supposed to  
Try to show you the life that somebody like you should  
be living  
Oh baby baby, you never go wrong if you  
[Let me hold you\*]

I'ma keep you up on what poppin  
And shake you fresh to death  
We hit the mall  
We gon ball till there's no more left  
I know you ain't used to it  
But you gon get used to it  
Cuz that's the only way I'm gonna do it now let me  
[Let me hold you\*]  
All the homies think I'm trippin cuz I got you a pair  
See they just mad cuz they ain't get you, they ain't get  
you  
Scorpio, that's yo sign  
And girl ya so fine and I will do whatever in no time  
[Let me hold you\*]  
No shine, Is what you comin with but I'ma change all  
that  
Rearrange that, Put you in the Range all black  
With the rims that match, phone attached, TV's in the  
back  
How you gon say no to that ma?  
[Let me hold you\*]  
Niggaz look at me, like man here you go  
Really bout to bust the door  
Hey nobody there before  
So why you is you so cold?  
Cuz I believe  
This was meant to be  
I just gotta work at it  
Like a crack addict stuck in rehab

HOOK

Down down, around  
Atlanta, Atlanta fo-found  
Everybody know now  
What I'm tryin to do  
I say, Down down, around

Atlanta, Atlanta fo-found  
I'm just tryin to get you to  
Down down, around  
Atlanta, Atlanta fo-found  
Everybody know now  
What I'm tryin to do  
Down down, around  
Atlanta, Atlanta fo-found  
I'm just tryin to get you to

[Let me hold you\*]
