EVERY PROMISE IN THE BOOK
Every promise, in the
book, is mine
Every chapter, every verse and every line
All are blessings, of his love, divine
Every promise, in the book, is mine
Every promise, in the book, is mine
Every chapter, every verse and every line
All are blessings, of his love, divine
Every promise, in the book, is mine
By his strive; the book says I'm healed
Until the day of redemption, the book say's I've been
sealed
(According to the same book)
To prosper, and be in health, is right in line
Every promise, in the book, is mine
Every promise, in the book, is mine
From Genesis to Revelation
Every chapter, every verse and every line
They all are blessings, of his love, divine
Every promise, in the book, is mine
The book say's
Delight yourself in the Lord; You can have what's in
your heart
It also say's
Therefore if any man be in Christ, He's got A brand new
start
And it also say's
Knock and the door shall be opened, Seek and you
shall find
Every promise, in the book, is mine
Every promise, in the book, is mine
From The very first chapter
Every chapter, every verse and every line
Everything in between, all the way down to the end,
Every line
They all are blessings, of his love, divine
Every promise, in the book, is mine
On resurrection morning, When that last trumpet
sounds
And all that have died in Christ, They begin to rise up
from the ground

Think about this
Then we that remain, And we that still alive, will then
find out that
Every promise, in the book, is mine
Yes it's mine
Yes it's mine
Yes it's mine
Yes it's mine
Yes it's mine
Yes it's mine
Yes it's mine
Yes it's mine
OhYes it's mine
They all are blessings, Of his love divine
Every promise, in the book, is mine
They all are blessings, Of his love divine
Every promise, in the book, is mine
