And I am telling you I'm not going  
You're the best man I'll ever know  
There's no way I can ever go  
No, no, no, no way  
No, no, no, no way I'm living without you

I'm not living without you  
I don't wanna be free  
I'm staying, I'm staying  
And you, and you, you're gonna love me, hey  
You're gonna love me, yes, you are, ooh

And I am telling you I'm not going  
Even though the rough times are showing  
There's just no way, there's no way

We're part of the same place  
We're part of the same time  
We both share the same blood  
We both have the same mind

And time and time, we've had so much to fear  
No, no, no, no, no, no  
I'm not waking up tomorrow morning  
Just to find there's nobody there

Darling, there's no way  
No, no, no, no way I'm living without you  
I'm not living without you  
There's just no way, there's no way

Tear down the mountains, yell, scream and shout  
And you can say what you want, I'm not walking out  
Stop all the rivers, push back and kill  
I'm not gonna leave you, there's no way I will

And I am telling you I'm not going  
You're the best man I'll ever know  
There's no way I can ever, ever go  
No, no, no, no way

No, no, no, no way I'm living without you

Yeah, I'm not living without, not living without you  
I don't wanna be free  
I'm staying, I'm staying

And you, and you, and you, you're gonna love me  
Can't nobody tell me you don't love me  
I know, I know that you love me  
I know you love me, I know you love me

I know, I know, I know  
I know, I know, I know  
Love, love, love me, whoa, I know you love me
