[Verse 1 :]

You left me here (alone)
with his child
all hope was gone
I couldn't find my way alone
I met you then (ooh oh ooh)
but I doubted you
still your strength enchanted me
you were a father to my child and a man to me (ooooh)
now I'm no longer lost
'cause you showed me my way

[Chorus:]

I used to be so lost
in a world of untrue love
then you came along and led me home
well at first I doubted you
but still you brought me through
and now I've found my way

[Verse 2:]

Mmmm you understand
all the pain that was caused by
another man
you gave me love and not lust
me and my child
we loved you so
but I want you to know
I'm awed by you
and the tender way you do
all the things you do
now I'm no longer lost
'cause you showe me my way

[Chorus:]

[Hook:]

I learned to love
you brought out the fire burning in my soul
now I found myself
'cause you showed me

you showed me the way
I used to be so lost
in a world of untrue love
then you came along
led, led, led, led, led, led me home
whooo ooh ohhh
then you brought me through
and now I found my way
(ad lib)
now I wanna thank the Lord
'cause you came into my life
and now I found my way
