She thought nobody could hurt her or break her heart.
She thought nobody could make her cry.
What makes her think she is smarter or stronger or
wiser than me?
What made her think I would tell her a lie?

So many times I would talk to her about that boy.
Did she not hear me when I said you're just his toy.
Sometimes it's harder to see it when you are the one.
I know she loves him, but he's only having fun.

(CHORUS)

That girl wouldn't listen to me
I tried to tell her
But she just wouldn't leave him alone, no no
That girl wouldn't listen to me
I tried to tell her
But she thought that I was jealous
And she found out on her own.

Da da da di, da da da di, da da da da, di di, da da da
da da da da (x2)

I'm not a popular girl you know I told you so.
He's just a player, but you wouldn't let him go.
And now she's crying and wasting all her precious time.
I tried to reach her,
She wouldn't change her mind.

(CHORUS)

That girl wouldn't listen to me
I tried to tell her
But she just wouldn't leave him alone, no no
That girl wouldn't listen to me
I tried to tell her
But she thought that I was jealous
And she found out on her own. (x2)

Da da da di, da da da di, da da da da, di di, da da da
da da da da (x2)

(CHORUS)

That girl wouldn't listen to me

I tried to tell her

But she just wouldn't leave him alone, no no

That girl wouldn't listen to me

I tried to tell her

But she thought that I was jealous

And she found out on her own. (x2)

Da da da di, da da da di, da da da da, di di, da da da

da da da da (x4)
