"Heartbeat"

There goes my heartbeat, heartbeat

I lay awake at night in my bed
All these thoughts in my head about you
Turn on the TV to drown out the sound
Of my heart 'cause its pounding for you

Try not to think of the smile
I haven't seen in a while
What am I gonna do?
My heart is beating so loud
And I can't block it out
'Cause it sad like the truth

And I miss your touch
And I miss your kiss
I never thought I would feel like this
Oh, I miss your body next to mine
Can't get this heartbeat off my mind

Chorus (2X)

There goes my heartbeat again
Like a drum in my head
Just when I think about the things
That you did and you said
Can't stop this feeling baby
Because it drives me crazy
Can't stop the rhythm of this heartbeat, heartbeat

I know that I was too close to be feeling
The way that I'm feeling inside
I carry on with my day, but nothing goes my way
Trying to understand why
This thumping in my brain is driving me insane
Why did I let you go?
This rhythm's never ending

My heart, it isn't mending
Because I need to knowâ€¦

And I miss your touch
And I miss your kiss
I never thought I would feel like this
Oh, I miss your body next to mine
Can't get this heartbeat off my mind

Chorus (2X)

Oh, I can't stop this feeling inside
This heartbeat for you will never subside
Just when I think I'm over you
This rhythm brings me right back to you
Can't get you off my mind
'Cause there it goes, beating one more time

Chorus (2X)

Heartbeat, heartbeat

There goes my heartbeat again, againâ€¦
