I'm gonna write down  
what I can't say  
I've gotta get these thoughts right out  
some way  
I know it's only been  
a few short days,  
I'm coming from my heart  
I only need today

Girl, I'm try, I'm trying  
When I close my eyes  
I can't stop smiling  
And now I know why

Only on Earth in this life  
do you Get a chance like this  
I knew right from the start  
I knew From the first kiss  
I was chasing love  
With no luck  
Moving aimlessly  
I don't need a long time '  
cause with you I fell in love  
instantly

Every day I smile  
when I first rise  
I hear your voice,  
I see your eyes  
I'm laying down  
and feeling high  
It started right away  
and it's here for life

Girl, I'm try, I'm trying

When I close my eyes  
I can't stop smiling  
And now I know why

Only onÑ e in Ð° life  
do you Get a chance like this  
I knew right from the start  
I knew From the first kiss  
I was chasing love  
With no luck  
Moving aimlessly  
I don't need a long time '  
cause with you I fell in love  
instantly

It didn't take long  
but I know it's true  
I wanna spend my life  
learning all of you

Only onÑ e in Ð° life  
do you Get a chance like this  
I knew right from the start  
I knew From the first kiss  
I was chasing love  
With no luck  
Moving aimlessly  
I don't need a long time '  
cause with you I fell in love  
instantly
