Girl you got me,  
I wanna take my time on you, Yeah!  
Let's make it worth it  
I wanna stay right close to you, yeah!

No I can't promise forever,  
All I can give you is now,  
I wanna see you, under the lights,  
Tonight, tonight, tonight

I wanna see you tonight and undress you,  
Undress you, girl with my eyes  
Show me your secrets and I  
Will take all your clothes off one piece at a time (Girl)

Take it off, take it off, take it off (One piece at a time)  
Take it off, take it off, take it off (One piece at a time)  
Take it off, take it off, take it off (One piece at a time)  
Take it off, take it off, take it off (One piece at a time)

Let's seize the moment,  
I wanna put my all on you, Yeah!  
I know you want it,  
Gonna make you scream for more

No I can't promise forever,  
All I can give you is now,  
I wanna see you, under the lights,  
Tonight, tonight, tonight

I wanna see you tonight and undress you,  
Undress you, girl with my eyes  
Show me your secrets and I  
Will take all your clothes off one piece at a time (Girl)

Take it off, take it off, take it off (One piece at a time)

Take it off, take it off, take it off (One piece at a time)  
Take it off, take it off, take it off (One piece at a time)  
Take it off, take it off, take it off (One piece at a time)

Tell me, tell me where to put all my love, Yeah,  
Baby tell me, where to love when I start

Take it off!!!

Take it off!!!

I wanna see you tonight and undress you,  
Undress you, girl with my eyes  
Show me your secrets and I  
Will take all your clothes off one piece at a time (Girl)

Take it off, take it off, take it off (One piece at a time)  
Take it off, take it off, take it off (One piece at a time)  
Take it off, take it off, take it off (One piece at a time)  
Take it off, take it off, take it off (One piece at a time)
