Another day in paradise,  
Just another chapter in the story of my life  
Another battle, another fight  
Another reason for you to try

To pull me down in the water  
no, this time I'm smarter,  
so don't even get me started,  
oh, 'cause when the curtain it's falling down  
the music is fading out

I turn it up a little bit louder  
and push it a little bit harder,  
Like a warrior, like a warrior, I'm in this to win  
I'm on the front line then they try to break me  
But I'm steady, no army can shake me.  
Like a warrior, like a warrior, I'm in this to win.

I'm ready for a second round,  
I'm push on the gloves so don't you dare to count me out,  
you go ahead trying to knock me down,  
another reason for me to strike.

And pull me down in the water  
no, this time I'm smarter,  
so don't even get me started,  
oh, 'cause when the curtain it's falling down  
the music is fading out

I turn it up a little bit louder  
and push it a little bit harder,  
Like a warrior, like a warrior, I'm in this to win  
I'm on the front line then they try to break me  
But I'm steady, no army can shake me.  
Like a warrior, like a warrior, I'm in this to win.

Another day in paradise,  
Just another chapter in the story of my life

I turn it up a little bit louder  
and push it a little bit harder,  
Like a warrior, like a warrior, I'm in this to win  
I'm on the front line then they try to break me  
But I'm steady, no army can shake me.  
Like a warrior, like a warrior, I'm in this to win.
