For Some Reason lyrics

Send "For Some Reason" Ringtone to your Cell

(Verse 1)

Do you know how it feels?

To have your life shine so bright

Like the stars in the night

Do you know how it's like?

To stand in the midst of the dark, and

Watch the fireworks spark

(Pre-Chorus)

I know my dreams are getting wild tonight

But I've never ever felt so right

And now I'm left here just to wonder why

(Chorus)

I don't know what you said, and

I don't know what you did

Cause' for some reason

You're the only one I see in this world

I don't know what you need, and

I don't know what you want

Cause' for some reason

You're the only one I see in this world

(Verse 2)

Do you know how it feels?

To have your heart spin around

Like you a merry-go-round, oh

Do you know how it's like?

To have all your wishes come true

I would never feel blue

(Pre-Chorus)

I know my dreams are getting wild tonight

But I've never ever felt so right

And now I'm left here just to wonder why

(Chorus)

I don't know what you said, and  
I don't know what you did  
Cause' for some reason  
You're the only one I see in this world

I don't know what you need, and  
I don't know what you want  
Cause' for some reason  
You're the only one I see in this world

(Bridge)

I can't figure out  
How you're always on my mind  
Am I hypnotized? Mesmerized?  
Have I really lost my mind?
