Lyrics/Music L.Brown/L.Brown & J.Gorney

Nobody gave me a mention  
Till they saw me with you  
Paid me a bit of attention  
Till they saw me with you  
Suddenly strange people walked up to me  
Pretending they knew me  
And begging me to introduce you

-----

Now everybody is asking me  
Who's that bunch of poison-alities  
With a figure like a cow  
Baby take a bow  
Everybody wants to know  
Where I found this roving Romeo  
You could haunt a house and how  
Baby take the bow  
Oh hear them whispering  
Hasn't she got anything  
Why baby your a stand-out  
Mister was a bunch of fool you handouts  
But I'm gonna stand right here and say  
That I wish you were a million miles away  
Funny I feel that way too - Is that so  
Baby take a boo  
Oh our act was awful up to now  
Baby take a bow

-----

Everybody's asking me  
Who's that bunch of personality  
I'm presenting you right now  
Baby take a bow  
Everybody wants to know  
Where I found the lovely Cameo  
I'm presenting you right now  
Baby take a bow  
Hear them whispering  
Hasn't she got everything  
Your a stand-out  
Listen to the compliments they handout  
Let me stand right up and say  
Meet the future Missus Hemmingway

I'm presenting you right now  
Baby take a bow  
-----  
Everybody's asking me  
Who's that bunch of personality  
I'm presenting you right now  
Daddy take a bow  
Everybody wants to know  
Who's that great big handsome Romeo  
I'm presenting you right now  
Daddy take a bow  
Hear them whispering  
Hasn't he got everything  
He's a stand-out  
Listen to the compliments they handout  
Let me stand right up and say  
Who's the one brings mother all his pay  
I'm presenting you right now  
Daddy take a bow
