Lyrics/Music Mack Gordon and Harry Revel

Bong! This is station L-O-V-E

Bong! I'm cupid's assistant

Please listen to me

My boss Mister Cupid told me

To make hearts loop the loop

Never ever to sing about

The Good Ship Lollipop

Or Animal Crackers In My Soup

So if the one you idolize is near you

A song of love will help you find the way

Cupid says a willing heart will hear you

If you move a little closer. Thank you

Press his little hand. That's fine

Now look into his eyes and say

You are an angel without any wings

A vision so lovely to see

Are you the reason my happy heart sings?

But definitely

Will I forever be faithful to you

You're mine and you always must be

Do I adore you? You know that I do

But definitely So definitely

You are the moon, the stars, the sun

You're every beat of my heart.... so supreme

But if it all turns out to be

Only a beautiful dream

Let's keep on dreaming

Millions or billions can't equal your worth

Your love is a blessing to me

Are you an armful of heaven here on earth?

You are? But definitely

When you are crooning the blue of the day

And whistling the gold of the dawn. Bing, bing!

Are you my fav'rite? You know that you are

But definitely Voo-voo-voo-voo-voom!

Will I forever.... *whistle*

You always must be. Bee-bee-bee-beep!

Do I adore you? You know that I do

But definitely So definitely

You are the moon, the stars, the sun,
You're every beat of my heart, so supreme
But if it all turns out to be
Only a beautiful dream
Let's keep on dreaming
Millions or billions can't equal your worth
Your love is a blessing to me
Are you an armful of heaven here on earth?
You are? *whistle* But definitely
The name of this song ain't Dinah
The name of this song ain't Dinah
The name of this song ain't Dinah
It's but definitely. Hah
