Oh Mister Weather man

Where's that rain you promised me

Oh Mister Weather man

I've been waiting patiently

Mister can you spare a drop

Here a drop, there a drop

Two drops, four drops

Can't we have more drops

Now it's all around me

Gee I'm glad you found me

I love to walk in the rain

Look for me when it's stormy

Down some lazy lane and I'll be there

I'd love to walk in the rain

The lightning may be frightening

I love the rain so I don't care

I feel wonderful

When the sky's above are thunderful

I don't complain

I know it's fun in the sun

But take all kinds of weather

When all said and done

I love to walk, in the rain

Monday tuesday wednesday thursday friday saturday

How about a week with every day a pitter patter day

I wouldn't complain
