Only yesterday morning  
life was real as can be,  
The roar of a train,  
the wind and the rain,  
Then without any warning,  
suddenly you came to me.  
Bewildered I stand  
in my wonderland.

It's all so new to me,  
how gay the day can start.  
This din within my heart,  
this change thrillingly strange,  
Since fate brought you to me.  
I've climbed a garden wall  
and ev'rything is all  
so new to me!

Like ships in distress,  
like a deep wilderness,  
like mist in the sky  
so lost am I  
Until I find my way  
I hope you'll see me through  
Because It's all so new to me.
