When I hear the blast of a bugle  
I know I soon will see  
A Military Man  
When I hear the sound of a drum  
Rum tum my tum tum  
I know I soon will see  
A Military Man

I love a Military Man  
I love a Military Man  
I love a Military nurse

My, but it's so grand to see a Military Man  
Everybody should want to be a Military Man  
What a treat to marching feet the roll of a drum  
What a treat to marching feet is the Rum tum  
Rum my tum tum tum  
In a crowd he looks so proud  
A Military Man

In his uniform so spic and span  
Hearts are filled with joy and they're thrilled with joy  
When ever a march is played  
For ev'rybody loves to see a soldier parade

It's  
about to start  
I hear The Rum tum tum  
the fife and drum  
and here they come  
What a pretty sight to see  
Joy is in your heart  
You've got to swell with pride  
As side by side so dignified  
members of the infantry  
Raise your voices high  
And give a rousing cheer  
When they appear  
They know no fear  
They're as brave as can be  
Manly spirits based upon  
the slogan "We must carry on"

Company attention,  
forward march

My, but it's so grand to see a Military Man  
Ev'ry boy should want to be a Military Man  
What a treat to marching feet the roll of a drum  
What a treat to marching feet is the Rum tum  
Rum my tum tum tum  
In a crowd he looks so proud  
A Military Man  
In his uniform so spic and span  
Hearts are filled with joy and they're thrilled with joy  
When ever a march is played  
For ev'rybody loves to see a soldier parade
