Lyrics/Music B.Green/S.H.Stept

Never liked a copy cat

Or the things they do

But it seems that you!

Must have changed my mind

Me, yes you

I became a copy cat

And I love it too

All the things you go for

Are the things I go for

I like what you like

Beans and Oyster stew

And I like what you like

On account'a I love you

I go where you go

Any place'll do

And I go where you go

On account'a I love you

Your my chocolate sundae

Your my sugar bun

Apple pie and lollipop

All rolled into one

I say what you say

Even black is blue

And I say what you say

On account'a I love you
