Lyrics/Music Irving Caesar/Gerald Marks

Make my mommy's life a song  
Keep my daddy safe and strong  
Let me have them all year long  
That's what I want for Christmas  
Let my dolls be made of rags  
Fireman hats of paper bags  
Just write love on the greeting tag  
That's what I want for Christmas  
Its a happy holiday  
Every heart is light 'n gay  
For Santa Claus you're kind I'm sure  
To young and all the rich and poor  
Won't you please for goodness sake  
Do away with tummy ache  
Give out lots of lucky breaks  
That's what I want for Christmas  
Yes, that's what I want for Christmas  
I don't want electric trains  
Twenty-dollar aeroplanes  
Free our friends from aches and pains  
That's what I want for Christmas  
I like pretty shoes to wear  
But if I could give a pair  
To poor little children everywhere  
That's what I want for Christmas  
When the Reindeer pass my house  
I was quiet as a mouse  
But in my dreams I seem to see  
Marching round the Christmas tree  
Animals that never bite  
Never giving any fright  
Soldier boys who never fight  
That's what I want for Christmas  
Yes, that's what I want for Christmas
