Lyrics/Music W.Bullock/H.Spina

This is a happy little ditty
I know the music isn't pretty
You know the words are not so witty
Anyone can sing this song
Change keys it really doesn't matter
There's still a lot of silly chatter
Ho-hum where coming to the patter
Jack and Jill went up the hill
And for all I know their up there still
I must say the music isn't pretty
Must say the words are not so witty
This is a happy little ditty
You can sing it all day long

This is a happy little ditty
I know the music isn't pretty
You know the words are not so witty
Anyone can sing this song
Change keys it really doesn't matter
Its just a lot of silly chatter
Hold on kids we're coming to the patter
There was an old woman who lived in a shoe
It must have been awful stuffy in there
Still say the music isn't pretty
Still say the words are not so witty
This is a happy little ditty
You can sing it all day long

This is a happy little ditty
I know the music isn't pretty
You know the words are not so witty
Anyone can sing this song
Change keys it really doesn't matter
Its just a lot of silly chatter
Hold on we're coming to the patter
Early to bed, and early to rise
And your gal goes out with other guys
I still say the music isn't pretty
Still say the words are not so witty
This is a happy little ditty
You can sing it all day long
