Who do you, who do you belong to?
My point of view is that I think you're hot
If we talked what words could describe
There's no dictionary book to explain how you
look

~Cause, I think you're sexy, sexy, sexy
Cold blooded
What more can I say sexy, sexy, sexy
Cold blooded

The way you walk, sexy, the way you talk, baby
(Cold blooded)
Oh, you're too cold for me, sexy, freaky baby
(Cold blooded)

Who are you? You look like a movie star
What's your name and number? Oh
Is it true that you think I'm hot? You think
I'm hot
If we try to get to know each other
You might find, you couldn't trade me for
another

~Cause I think you're sexy, sexy, sexy
Cold blooded
In my dictionary, sexy, sexy, sexy
Cold blooded

What more can I say, sexy, sexy, sexy
Cold blooded
Holy smokes and Jesus, sexy, sexy, sexy
Cold blooded
Freeze

Who do you, who do you belong to?
My point of view is that I think you're hot
If we try to get to know each other
You might find, you couldn't trade me for
another

~Cause I think you're sexy, sexy, sexy

Cold blooded
What more can I say sexy, sexy, sexy
Cold blooded

In my dictionary, sexy, sexy, sexy
Cold blooded
Holy smokes and Jesus, sexy, sexy, sexy
Cold blooded
