Hello, hello, hello  
(It's good to be back, it's good to be back)  
Hello, hello, hello  
(It's good to be back, it's good to be back)

Hello, hello, hello  
(It's good to be back, it's good to be back)  
Hello, hello, hello

Did you miss me while I was away?  
Did you hang my picture on your wall?  
Did you kiss me every single day  
Although you couldn't kiss me at all?

Did you love me like a good little girl?  
Did you tell that naughty boy not to call?  
Did you love me in your own little world  
Although you couldn't see me at all  
Although you couldn't see me at all?

Hello, hello, hello  
(It's good to be back)  
Hello, hello, hello

Did you miss me while I was gone?  
Did you hug your pillow in your bed?  
Did you kiss me all night long  
And treasure every word that I said?

Did you want me to come back again?  
Did you know I've been so far away?  
Did you want me to tell all your friends  
To think about me every day  
Think about me every day?

Hello, hello, hello  
(It's good to be back)  
Hello, hello, hello

Hello, I'm back again  
And I'm back, as a matter of fact  
Hello, tell all your friends

I'm back, as a matter of fact  
As a matter of fact, I'm back

Hello, hello, hello  
(It's good to be back, it's good to be back)  
Hello, hello, hello  
(It's good to be back, it's good to be back)

Hello, hello, hello  
(It's good to be back, it's good to be back)  
Hello, hello, hello  
(It's good to be back, it's good to be back)

Hello, hello, hello  
(It's good to be back, it's good to be back)  
Hello, hello, hello  
(It's good to be back, it's good to be back)

Hello, hello, hello  
(It's good to be back, it's good to be back)  
Hello, hello, hello
