Listen up, she's razor sharp
If she don't get her way, she'll tear you apart
She's cool, cool black, moves like a cat
If you don't get her game, you might not make it back

She's got the looks that kill
(She's got looks that kill)

She's bulletproof, she keeps her motor clean
And believe me you, she's a number thirteen
When the church strikes midnight, she's looking louder
and louder
She's gonna turn on your juice, boy, so she turns on the
power

She's got the looks that kill
(She's got looks that kill)
She's got the looks that kill
(She's got looks that kill)
She's got the looks that kill

She's got the looks that kill
(She's got looks that kill, she's got looks that kill)
She's got the looks that kill
(She's got looks that kill, she's got looks that kill)
She's got the looks that kill

She's got looks that kill, she's got looks that kill
(She's got the looks that kill)
She's got looks that kill, she's got looks that kill
(She's got the looks that kill)
