There is a land I know  
Where lovers go, flowers grow, forever more  
Where time is standing still  
And lovers fill the quiet places by the shore

We'll cross the rainbow to a place where we'll  
be free  
Where he'll give his love to me  
So I'll wait for the day he takes me away to

(Paradise)  
He'll take me by the hand  
(Paradise)  
We'll walk along the sand in  
(Paradise)  
A never, never land  
(Paradise)

We'll build a castle there  
So we can share the happiness we've waited for  
Where white flamingos fly way up high  
Way above the ocean's floor

We climb a mountain to see our wonderland  
Maybe now you'll understand  
Why I wait for the day he'll take me away to

(Paradise)  
He'll take me by the hand to  
(Paradise)  
We'll walk along the sand in  
(Paradise)  
A never, never land  
(Paradise)

I'll stand by him  
Do right by him  
And I swear that I would die for him  
Die for him

(Paradise)  
He'll take me by the hand

(Paradise)  
We'll walk along the sand in  
(Paradise)  
A never, never land  
(Paradise)

(Paradise)  
A never, never land  
(Paradise)  
He'll take me by the hand  
(Paradise)  
We'll walk along the sand  
(Paradise)
