though the time
isn't right
my feelings still rise

though with you
it's complicated
harder seems fine

so stop me
from falling too fast
i understand
that this is too beautiful
to last

cos even if the sun won't shine tomorrow
and the signs all point to no
i'd still be here waiting for your call

cos i'm a dreamer baby
i'm a dreamer baby
i'm a dreamer

though i know soon
you'll be somewhere better
so much better than where i stand

though i know too
you might find someone new
who can give you things i can't

so stop me
from falling too fast
i understand
that this is too beautiful
to last

cos even if the sun won't shine tomorrow
and the signs all point to no
i'd still be here waiting for your call

cos i'm a dreamer baby

i'm a dreamer baby
i'm a dreamer
