Dualize cities as double gestures. enter mannequin.  
talk real slow. manifest potential. on the day it happens.  
we shall overcome. two growths taste sweet when  
they're one. two growths taste sweet when they're one.  
two growths taste sweet when they're one. i [what what  
what what what air]. [tear on such honesty level do i  
memoir memoir can't it be]. we cannot decide entirely.  
or at least today. as single crisis units move. i guess it  
seems solved. consequential is the touching. the  
vanishing decadence. the irregular transformation.  
into lonely self-efficiency. as frightened smiles meet  
terror struck veins. the liberty black flies open into  
safer ground. the influential expressions. the  
compromising technique. we can't. we can't we can't  
we can't let go. we can.
