Hey girl  
It's me how you doin hows it going?  
....oh me?  
everything's all peachy with me  
but what do I hear...  
are those...tears?  
coming down through the phoneline  
ringin whole time'  
Uh oh and then she told me...  
well this is what she said she said...

(her) "Oh I'm screwd  
I'm confused  
I dont know what to do.  
can you help me baby?  
can u help me baby?  
there's no one in this world  
that can help me"  
(him) oh girl  
I got so much  
you've got so much to learn

Cuz What if I  
told you I could take you away  
from all the lies, blows and the inevitable pain  
but I won't  
til' you make me  
cuz you break me oh  
yea you do

What if I told you none of this was planned  
and what if you told me, too.  
So here we stand  
but you wont.  
will you make me?  
will you break me? oh.  
will you oh will you?

When I see the glow  
drip off your face  
Your face turns...red

Like the hot sun of June on a sunny day  
and I can't make out  
on what she said  
cuz you make me wanna  
Pop a pimple girl as deep as those dimples  
and be a better man than yesterday, oh baby.

(Prechorus, Chorus)

La la la la la la  
lalalalalala x8

(chorus)

Will you oh..will you?
