you better know that Im the king of this town

with confidence faded the belly is naked
it's time to take it over
intense and burning adrenaline churning
another minute bolder
still alive
Im not choking on the bone
yes alive
with another life to go

caught up in the ropes
coughing up a soul yea
caught up in the ropes

better know that Im the king of this town
better know that Im the king of this town
better know that Im the king of this town
better know that Im the king and Im a CANNIBAL

but uneducated with colors you make it
a connoisseur of icing and chrome
the giants colliding and rivals are fighting
it's time to turn the vice to a close
still alive
Im not choking on the bone
yes alive
with another life to go

caught up in the ropes
coughing up a soul yea
caught up in the ropes

better know that Im the king of this town
better know that Im the king of this town
better know that Im the king of this town
better know that Im the king and Im a CANNIBAL

Im a CANNIBAL
a CANNIBAL
yea Im a CANNIBAL

with confidence faded the belly is naked
it's time to take it over
but uneducated with colors you make it
a connoisseur of icing and coke coke coke coke

caught up in the ropes
coughing up a soul yea
caught up in the ropes

better know that Im the king of this town
better know that Im the king and Im a CANNIBAL
