It hurts me so to be  
Under your spell  
Ain't no heaven for me, but a hell  
But after all, I can't let you go  
'Cos I love you so, Demon Lover  
Demon Lover, Demon Lover  
I love you

I'm bewitched and I know it so well  
What the reason is baby I can't tell  
It's that animal good looks you've got  
You show more than a lot  
Demon Lover, Demon Lover, Demon Lover  
I love you

You took me for lovin' kindness sake  
You don't give love, you only take  
But after all I can't let you go  
'Cos I love you so Demon Lover
