Summer day over  
And darkness come with mighty wings  
The sea gull's head is tired  
And when he's tired then he sings  
Hot sand. I'm walkin' in the hot sand  
Makin' love on the hot sand  
Together with you, yeah, yeah, yeah  
I'm waitin' for the hour  
I'm waitin' for a place to stay  
Some place where I can rest  
And not think about the empty day  
Hot sand. I'm walkin' in the hot sand  
Makin' love on the hot sand  
Together with you, yeah, yeah, yeah  
If you wonder why baby  
If you wonder what you hear  
It's useless to describe  
Even wonder of what's in your ear  
Hot sand, it's so good  
On the hot sand  
I'm strollin' in the hot sand  
Together with you... yeah, yeah, yeah
