Before loneliness will break my heart,  
Send me a postcard darling.  
How can I make you understand?  
I wanna be a woman.  
Here, here I'm waiting for a little sign,  
Waiting 'til the end of time.  
Send me a postcard darling.  
Send me a postcard now.  
Send me a postcard darling.  
Send me a postcard now.  
I can't take the lonely night,  
I need someone I can turn to.  
Look out the day I see a little sign,  
Even though you're on my mind.  
Yeah, oh please don't let me down.  
There ain't no lover like me in town.  
Send me a postcard darling.  
Send me a postcard now.  
Send me a postcard darling.  
Send me a postcard now.  
Before loneliness will break my heart,  
Send me a postcard darling.  
How can I make you understand?  
I wanna be a woman.  
Yeah, I'm waiting for a little sign,  
Waiting 'til the end of time.
