Ohhhh  
Ohhh u got to hold on me  
(ohh girl feel so right)ohh yeah

Slowly i've fallen in love  
Without realising what it was  
Now that i know  
Im fascinated  
All of u is not enough  
Id never be lonely again  
Now that i have u in my arms  
I can see clearly now  
The rain has gone  
U r sent from up above

Ure an elation  
Sweet revelation  
And in your eyes i see my future  
Ure all im thinking of

{CHORUS}  
U got a hold on me  
U know i need u in my life  
U put a spell on me  
U know i never felt so right  
Ure sent from heaven  
U r like an angel to me  
My heart is dancing to the sweetest sym4ny

{Danny K}  
U lit a claim on my heart  
Like no one ever dared before  
Perfect vision of tomorrow  
Yesterday is far behind  
Subsantly from yell  
I almost lost my mind  
Now that i found u girl  
I promise i wont let u run my side

I feel a sensation a fascination  
Im caught up in the rapture

I just can't believe ur mine

{CHORUS}

Just leave ur cares behind(x2)  
Spread ure wings across the sky  
I know a place there is paradise  
Let me take u there  
Ur my everything the answer to my prayers

Ohh uuuuu

U know i need (x2)u in my life (oooh girl)  
Now that i have u in my arms  
Loving now and tomorrow(x2)

{CHORUS}

Till the end
