Last week when you were cruisin  
Your best friend moved to me, one day  
I didn't want to tell you  
So I just kept it to myself

[Chorus]  
You should really know  
I ain't playin you  
Babe you gotta know  
Cause your love is all im living for  
And if you look into my eyes and you will know  
Oh baby you should really know

(Background: Ya 3ayni, ya leel,  
Ya leili ya 3ayni, ya leel, ya 3eyni ya leel,  
Leely leely ya 3yuni x2)

I'm mad you think I hurt you  
Cause your love means everything to me  
And I aint keepin secrets - no no  
I'm just keepin to myself

[Repeat Chorus]

[Bridge]  
Do you think I want you to leave  
When you mean so much to me  
But if you don't want to stay  
Then just let go of me  
It would be better off that way  
If you won't trust in me  
An millions people say  
You're the only one I see

[Naila Boss]  
Boy you know that I got ya  
Anything that you do boy you know I support ya - huh  
How could you think I would do this to you  
I thought wifey would mean more to you  
I aint trying to say I weren't there that day  
I'm just trying to say it didn't happen that way

Naila Boss the name is true, the game is true  
You know I belong to you, come on

[Repeat Chorus]

(Background: Ya 3ayni, ya leel,  
Ya leili ya 3ayni, ya leel, ya 3eyni, ya leel,  
Leely leely ya 3yuni x2)
