Verse

Time has come
But there's no hope for me
Time just seem to pass me by
Expectations? Has no news for me
Nowhere to start
But space enough to cry!

One way track
No place for fantasy
Your destiny is forced on me
To be lost is what my future holds
If that's your life
Now jump up and fly!

Chorus:

Spread your wings
Feel the air through your hair
Fly so high - don't be afraid!
It's your time to be free
If you spread your wings and fly!

Don't hold back
Take all life offers you
Chase your dreams - live for your life
There's no limit up there in the sky
Don't hold back
Now jump up and fly!

Chorus:

Spread your wings
Feel the air through your hair
Fly so high - don't be afraid!
It's your time to be free
If you spread your wings and fly!
It's your time to feel the love that it brings
If you spread your wings and fly!

Keyboard solo - Mikkel

Guitar solo - Gabriel

Chorus:

Spread your wings
Feel the air through your hair
Fly so high - don't be afraid!
It's your time to be free

If you spread your wings
If you spread your wings and fly!
