You know I'm gonna take it down, I'm gonna take it
down

You know I'm gonna take it down, I'm gonna take it
down

We got another one on, yeah

We got another one on, yeah

We got another one

All my sexy ladies, wanna see you on the dance floor

All my sexy ladies, wanna see you on the dance floor

All my sexy ladies, wanna see you on the dance floor

Nothing lasts forever, baby you know that

I'm the best, you're the best, let's put the...

I make you shout like a lamb like

Life keep... we can do it

I'm the man you be looking for

I can make you dream a reality plus I'm sure

I know you like to live lavish

I'm your... but I'm gonna take you to the Paris

Ah, ah, ah, I'ma take you there

Breaking all the rules, we just don't care

Speeding on, on, on the speedway

Flashing lights, lights, lights, everywhere

I, I, I, I'ma take you there

Breaking all the rules, we just don't care

Speeding on, on, on the speedway

Flashing lights, lights, lights, everywhere

My oh my, sexy lady you're so beautiful

Take you to a place you never been before

You're the high grade chick, you're the high grade
chick

Baby you're the high grade chick

You're the high grade chick, you're the high grade
chick

Baby you're the high grade chick

Damn girl, all of this for me?

And hell yeah, I know nothing this is for free

I gotta do my thang to keep you... around me
Love sex, credit cards, and the... jewelry
Let me fulfill your fantasies, I'm just what you need
Planning everything out, cause I...
You're the type of girl I, can't afford to loose
Let me... like a grown man would

Ah, ah, ah, I'ma take you there
Breaking all the rules, we just don't care
Speeding on, on, on the speedway
Flashing lights, lights, lights, everywhere
I, I, I, I'ma take you there
Breaking all the rules, we just don't care
Speeding on, on, on the speedway
Flashing lights, lights, lights, everywhere

My oh my, sexy lady you're so beautiful
My oh my, take you to a place you never been before
You're the high grade chick, you're the high grade
chick
Baby you're the high grade chick
You're the high grade chick, you're the high grade
chick
Baby you're the high grade chick

All my sexy ladies, wanna see you on the dance floor
All my sexy ladies, wanna see you on the dance floor
All my sexy ladies, wanna see you on the dance floor
All my ladies, say, say, say, say
All my ladies, say, say, say, say

You know I'm gonna take it down, I'm gonna take it
down
You know I'm gonna take it down, I'm gonna take it
down
Shawty, you know
You know I'm gonna take it down, I'm gonna take it
down
You know I'm gonna take it down, I'm gonna take it
down
Shawty
