I found my thrill On Blueberry hill

On Blueberry hill When I found you

The moon stood still (moon stood still)

On Blueberry hill (Blueberry hill)

It lingered until (lingered until)

My dream true (true)

Though we're apart (we are apart)

I think of you still (think of you still)

For you were my friend (you were my friend)

On Blueberry hill

The wind in the willow played

Love's sweet melody

But all those vows you made

Were never to be

Though we're apart (we are apart)

I think of you still (think of you still)

For you were my friend (you were my friend)

On Blueberry hill

I found my thrill (found my thrill)

On Blueberry hill (Blueberry hill)

On Blueberry hill (Blueberry hill)

When I found you (you)

The moon stood still (moon stood still)

On Blueberry hill (Blueberry hill)

It lingered until (lingered until)

...'for you were my friend'...should read... 'for you were
