Well, east coast girls

Are hip.

I really dig those

Styles they wear

And the Southern girls

With they way they talk,

They knock me out

When I'm down there.

The mid-west farmer's daughters

Really make you feel alright

And the Northern girls

With the way they kiss,

They keep their boyfriends

Warm at night.

I wish they all could be

California girls.

I wish they all could be

California girls.

I wish they all could be

California girls.

The west coast

Has the sunshine

And the girls all

Get so tan.

I dig a french bikini

On the wild island girls

By a palm tree in the sand.

I've been around this

Great big world

And I seen all kind of girls,

Yeah, but I couldn't wait

To get back in the states.

Back to the cutest girls

In the world.

I wish they all could be

California girls.

I wish they all could be

California girls.

I wish they all could be

California girls.

I wish they all could be

California girls.

I wish they all could be

California girls.

I wish they all could be

California girls
