all the leaves are brown, and the sky is gray

i've been for a walk, on a winter's day

i'd be safe and warm, if i was in L.A

California, California Dreaming, on such a winter's day

stopped in to a church, i passed along the way

well i got down on my knees, and i pretend to pray

you know the preacher likes the cold

he knows i'm gonna stay

California, California Dreamin, on such a winters day

all the leaves are brown, and the sky is gray

i've been for a walk, on a winter's day,

if I didn't tell here, I could leave today

California, California Dreamin, on such a winter's day
