Going to the chapel And we're gonna get married

Going to the chapel And we're gonna get married

Gee I really love you And we're gonna get married

Going to the chapel of love

Spring is here (ooo-ooo-ooo)

The sky is blue (sky is blue)

Birds all sing (oh the birds all sing)

Like they do (yeah yeah yeah yeah yeah)

Today's the day (wah-hooo-oooo)

We'll say "I do" (ooo-oooo)

And we'll never be lonely anymore

Because we're Going to the chapel And we're gonna
get married

Going to the chapel And we're gonna get married

Gee I really love you And we're gonna get married

Going to the chapel of love

Bells will ring (ri-ii-iing) (bells will ring)

The sun will shine (hey hey hey yeah) (the sun will
shine)

I'll be hers (yeah yeah yeah yeah yeah) (I'll be hers)

And she'll be mine (oh oh oh oh oh oh oh) (and she'll be

mine)

We'll love until (we'll love until) (hey hey hey) (we'll love until)

The end of time (ooo hooo) (the end of time)

And we'll never be lonely anymore

Because we're Going to the chapel And we're gonna get married

Going (goin') to the chapel And we're gonna get married
