I can hear so much in your sighs
And I can see so much in your eyes
There are words we both could say
But don't talk, put your head on your shoulder
Come close, close your eyes and be still
Don't talk, take my hand
And let me hear your heart beat
Being here with you feels so right
We could live forever tonight
Let's not think about tomorrow
And don't talk, put your head on my shoulder
Come close, close your eyes and be still
Don't talk, take my hand
And listen to my heart beat
Listen, listen, listen..
Don't talk, put your head on my shoulder
Don't talk, close your eyes and be still
(repeat to fade
