I kicked out of the surf
And stuck my board in the sand
And then up in my Woody
To a hamburger stand
And when I got back
My nine five board was gone
She said yeah she said
(Finders keepers)
Finders keepers
(Losers weepers)
Losers weepers
(Finders keepers)
Finders keepers
Finders keepers, losers weepers
I saw a Hodaddy
Paddlin' out by the pier
Well he musta got my board
'Cause mine isn't here
But I know how to fix him
I'll just raise that meatball flag
~CHORUS~

He took off on a swell

When he saw the flag

He's just a crazy Hodaddy

Pullin' some kind of gag

He went over the falls

And now my board's

Coming back to me

~CHORUS~

That'll teach him to mess with my board

Next pass next time .
